Dear Joyce,

I would like to take this opportunity to write this letter of recommendation for Blue Dove Promotions and their working relationship with the North Carolina Education Lottery.

Blue Dove Promotions has provided quality work on all projects completed for the North Carolina Education Lottery. Blue Dove Promotions is reliable, has competitive pricing and I have found them to be a very service driven company.

I would highly recommend Blue Dove Promotions for any organization that is in need of having promotional items produced.

Sincerely,

A handwritten signature in black ink that reads "Cory Trottier".
